

STRAIGHT TRUCK **STEEL DUMP BODY**

E X P E R I E N C E E X C E L L E N C E

Built for demanding construction applications, the MAC Trailer Steel Dump Body combines rugged durability with an efficient, innovative design. With versatile configurations and an **industry-leading 3-year comprehensive body warranty**, it's built to meet the demands of both the application and the customer.

Wall Height Options

Choose a shorter wall height for easier loading or a higher wall height to maximize load capacity

Smooth Sidewalls

Simplifies body maintenance and offers easier cleanout

6% More Capacity

With an outside width of 102", a 16' body delivers 21.2 yd³ of capacity, compared to 20 yd³ offered by competitors

Crossmember-Free Construction

Reduces overall weight for increased payload

Hardox® 500 Tuf

Constructed from 500 Tuf for superior strength, durability, and wear resistance
